Newsletter 14

Dear Parents and Carers,

Thank You to Team Loxley!

After the pandemic hitting staffing at our school relatively lightly for a while, we have, in the last two weeks, been very much affected by the Omicron variant. We have, however, managed not to close any classes. I have been very pleased with the learning that has taken place whilst we have been covering for absent staff and how settled and calm the atmosphere in school has been. I want to say a massive thank you to staff in school who have stepped up and in many cases changed plans to cover at the last minute. I also want to thank those staff liaising and planning from home. I'm sure you'll join me in wishing the staff whose health has been considerably affected by the virus, the very best for their recovery.

Year 3 Roman Day

"Ave' " to our Year 3s! Our Y3 class have been loving their Roman Day today! From designing and making their own clay oil lamps to creating Roman dances, they have had a great day of learning. Thanks very much to Miss Village and Mrs D for all the work they have put into to the day. A big thank you also goes out to parents for organising all the costumes!

Y6 Boys' Football Next Wednesday

I just wanted to take this opportunity to remind the parents of the boys in the Year 6 football team that next Wednesday, straight after school, we have matches at Wisewood Sports Centre. A letter has been sent out already. I'm very much looking forward to it. Come on you Loxley Arrows!

Half Term starts Saturday February 12th

Please remember that next week is the last week of this half term. School starts again on Monday 21st February. Thank you.

Year 5 Enrichment Project

Our Year 5s have a wealth of knowledge about World War 2 and how it affected peoples' lives. They have shown great interest in the topic and have all made excellent enrichment artefacts. I have been so impressed with the class - as has Mr Eaton. Thank you parents for your fantastic continuing support.

Kind regards,

James Connolly
