25th March 2022

## Next Week is very busy! – Here's a summary of what you need to know:

Monday	Children looking at the Book Fair On Monday the children will get a chance (a class at a time) to have a look at the books in the book fair cabinets. They will have a slip to write down their favourites to take home. We will be telling the children that this does not mean that their parents will buy that book at the Book Fair but it does promote reading and talking about what books children like at home.				
					Bringing in Decorated Eggs We are encouraging children to bring in decorated eggs again for a fun competition. They need to be brought in preferably on Monday but by Thursday morning at the very latest as this is when judging will take place. Two prizes for each class will be for creativity and artistic effort. It's not necessarily the largest creations which win but where we can see care, effort and involvement from the child. The main thing is to have fun taking part.
				Y4 Basket Ball City Finals It's the basketball city finals on Monday and the children involved will need to leave school slightly early at 2:50pm to get to All Saints School. Please refer to the earlier letter. Request for Easter Buns If any parents could make any Easter themed chocolate rice crispie or corn flake buns for the LSFA café at the Easter Egg Hunt on Wednesday, it would be much appreciated.	
			Tuesday	Buns can be brought in from Monday.	
<b>First Parents' Evening and Book Fair</b> Please remember your appointment time and be as prompt as					
possible. Although it is not compulsory, we are requesting that parents where masks whilst in the

## **Yorkshire Wildlife Visit**

Our Y2s had a great time at Yorkshire Wildlife Park this week. The staff there made a point of complementing the children on their manners and knowledge of animals. Thank you very much to all the staff and parents who helped on the day.

## Thornbridge

Our Year 4 and Year 5 classes loved their time at Thornbridge this week. It's great to have the residential visits back again. The visit ties in with our outdoor and adventurous element to the PE curriculum and is also designed to build independence, teamwork and happy memories too. Several instructors at the site gave huge praise to our pupils. One instructor said "we've had to simplify the tasks for many groups since the pandemic but that's certainly not the case with your pupils." Another said he was very impressed with the children's "tenacity and willingness to work as a team." Thanks to all the staff for giving up so much of their time to make this special experience happen.
